Program Cost and Accommodations

Estimated program cost: $1,000 per student, including lodging, on-site transportation, and the course fee. Airfare and personal expenses are additional. Accommodations are shared in hotels and group housing, including common areas.

I confirm my participation and agree to submit the $250 deposit by November 30, 2026, upon acceptance. The deposit is applied toward the $1,000 total program cost. The deposit is non-refundable after December 4, 2026. I agree to pay the remaining $750 by December 11, 2026.

Deposit Payment Instructions

I agree to pay my $250 deposit by November 30, 2026, at the Cashier's Office in MSR 100 using payment code T898. I will upload a photo or scanned copy of my receipt to the Faculty-Led Social Work Application as proof of payment.

Course Enrollment
Once the $250 deposit is received, the Study Abroad team will register students for a 1-unit Winter Social Work Independent Study course. Tuition for this winter course is waived. Students must also register for the 3-unit SW 5057 course in Spring 2027, for a total of 4 units across the two courses.

Financial Responsibilities
Students are encouraged to seek financial assistance, including campus-based scholarships. Scholarship deadlines and payment dates vary. Students must meet the program payment deadlines and reimburse themselves if scholarship funds arrive later.

If students withdraw after purchases are made on their behalf, they are responsible for those costs, including airfare or accommodation arrangements.
