 - All program courses need to be completed successfully for admission to HSCI 4948, and all facility immunization, drug screening, and background check requirements need to be met prior to HSCI 4948 internship placement.

Roadmap Notes

- All prerequisites must be completed prior to beginning upper-division Health Science courses in the junior year.
- 120 units are needed to graduate from the University. 50 units need to be completed at a 4-year University. Make sure all courses taken at the community college are CSU transferable.
