BACHELOR'S DEGREE COMPLETION PROGRAM, HEALTH SCIENCE

Dear Prospective Health Science Student,

We are delighted that you are interested in pursuing your B.S. in Health Science with a concentration in Health Leadership and Administration (HLA) OR Health Informatics and Data Analytics (HIDA) with CSU, Stanislaus. The Health Science program is an 18-month degree completion program. Therefore, students must be at the Junior or Senior level when they enter the program. The change of degree period for the Fall Turlock cohort is November 1st – June 1st and for the Spring Stockton cohort it is August 1st to October 31st. The change of degree period may end early if we reach capacity sooner.

The following directions will help you through the Change of Degree process.

1. Complete the Pre-Admission Checklist document (2 pages). The form may be completed and discussed with the director prior to submission but must be submitted to the director during the change of degree period. The first page is required to be completed and the second page only if courses were taken prior to admission.

- Complete the Pre-Admission Checklist. This is a fillable pdf form. Click in each box in order to answer each area.
- Make sure your name is on the top of the document.

2. Obtain an electronic or scanned copy of your transcripts (*unofficial acceptable for this step*) for any college or university attended.

3. Email the Pre-Admission Checklist and your unofficial transcripts to the Program Director @ mperearyan@csustan.edu .

4. Once you receive confirmation that you meet all program entry requirements from the Program Director, you must then complete the change of degree form:

The form can be found at: <https://www.csustan.edu/sites/default/files/2021-12/change-of-degree-4-3-20.pdf>

Thank you for your interest in the Health Science Degree Completion Program at California State University, Stanislaus.

Mechelle Perea-Ryan, PhD, FNP-BC, RN-BC, PHN
Health Science Program Director

Health Science Pre-Admission Checklist

Student Name and CSU Stan ID if applicable:
